Sub: Training-cum-Workshop on "**Scenario of Water Resources Sector in India**" – Call of Nominations – reg.

Sir/Madam,

Like previous years, the National Water Academy is organizing a one day training program on "**Training-Cum-Workshop on Scenario of Water Resources Sector in India**", keeping school teachers as target group. It is our firm belief that this target group plays a major role in the nation building process and therefore it would be quite useful if the school teachers are exposed to the present scenario of water resources sector in India, so that the knowledge/exposure gained by them by attending such training programs can be transmitted to school children at crucial moment of their growing up.

This program is being conducted on **Thursday, 27th April 2017** this year. This is full day program and will have topics like; Water Resources of India : Status & Prospects; Projected Demand for Water by 2025 and 2050; Droughts & Floods; Preservation of Water Quality; Impact of Climate Change on Water Resources; visit to CWPRS Models etc These apart, other notable features of the program are:

- ❖ There is no course fee or registration charges for the participants;
- ❖ Training Material, Working lunch and tea will be provided free of cost;
- ❖ Pick-up and drop facilities for local participants from prominent locations viz. J M Road; Swargate; Dandekar Bridge will be provided.
- ❖ For outstation participants, lodging & boarding will be provided in the guest house of NWA free of cost.

The program is open for maximum 60 Teachers with participation of **three/four school teachers** from each school. It is therefore requested that nominations in the given proforma from your school may kindly be sent to this Academy by **24 April 2017** pick-up and drop facility will be given at the NWA website:<http://nwa.mah.nic.in> under the 'Upcoming Events' link. In case of any query, you can contact Ms Uma, PA on 020-24380678 (Mob:9527221525) or at e-mail on nwa.mah@nic.in.

Encl : As above

Yours faithfully,

D S Chaskar
