NOTICE

Postponement of Training Program on “Increasing Water Use Efficiency in Irrigation Sector”

Due to unavoidable circumstances, the training program on “Increasing Water Use Efficiency in Irrigation Sector” scheduled from 12-16 June 2017 would be postponed by 3 weeks. The nominations received as on date are confirmed for this course which is now scheduled from **03 – 07 July 2017** at National Water Academy, Pune. It is requested to all concerned to send additional nominations, if any to NWA as early as possible. The last date of receipt of nominations is **27th June 2017** and final list will be displayed on NWA website on **28th June 2017**.

The nominated officers are requested to start for the program only after getting confirmation/acceptance of their nomination from NWA, which will be published on NWA site (<http://nwa.mah.nic.in>).
